**ENVIRONMENTAL HAZARDS:** **TOXIC** to aquatic organisms. **DO NOT** discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.  
In case of emergency call Etimine USA Inc. at (201) 462-1200 or the 24 hour emergency contact **Chemtrec: 1-800-262-8200 or (703) 741-5500**

**FIRST AID:**

**If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention**

**TOXICOLOGICAL INFORMATION:** Treat symptomatically

**Disposal:** Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and information on cleanup of spills, contact the provincial regulatory agency or the manufacturer.

**Storage:** Store in a cool and dry area away from food, and feed, and where children or animals may have access.
