# **DIRECTIONS FOR USE**

To be used only in the manufacture of a sea lamprey attractant which is registered under the *Pest Control Products Act* 

# **PRECAUTIONS:**

#### PREVENT ACCESS BY UNAUTHORIZED PERSONNEL

Fatal or poisonous if swallowed. Avoid contact with skin. This product may be a respiratory and eye irritant. Do not inhale dust particles or get in eyes. For handling activities, wear a long-sleeved shirt and long pants, socks, shoes, chemical-resistant gloves, protective eyewear, and a dust mask. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove contaminated clothing and wash before reuse.

**Personal Protective Equipment (PPE):** Long-sleeved shirt and long pants, socks, shoes, chemicalresistant gloves, protective eyewear, and dust mask (NIOSH prefix TC-21C). Follow the manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

#### **User Safety Recommendations:**

Users should wash before eating, drinking, using tobacco, or using the toilet.

Users should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

Users should remove PPE immediately after handling this product. Wash outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

### FIRST AID:

If swallowed	Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.
If on skin or clothing	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.
If inhaled	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.
If in eyes	Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.
	Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.
