FYSIUM is a registered trademark of Janssen Pharmaceutica NV

DIRECTIONS FOR USE:

To be used only for the manufacture, formulation or repackaging of a pesticide which is registered under the Pest Control Products Act.

The technical grade active ingredient is a gas, and must be formulated/repackaged into the end use product.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

Do not smoke during FYSIUM manufacture.

Avoid exposure to the 1-MCP gas produced: avoid contact with eyes, skin or clothing. May be harmful if inhaled. Avoid breathing vapours. Wear a long-sleeved shirt, long pants, eye protection, and chemical resistant gloves during manufacture, formulation, or repackaging and clean-up of the FYSIUM cartridges. Wash thoroughly with soap and water after handling and before eating or smoking. Remove contaminated clothing and wash separately before reuse.

FIRST AID	
If Swallowed:	Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.
If inhaled	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.
If in Eyes	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
If on Skin or Clothing	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15- 20 minutes. Call a poison control center or doctor for treatment advice.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE:

FYSIUM is a gas which is produced in situ using the FYSIUM Technology. Upon generation, it must be immediately discharged into the enclosed facility to treat the apples. Storage is prohibited.

DISPOSAL:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the manufacturer and the provincial regulatory agency.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.
