READ THE LABEL BEFORE USING

KEEP OUT OF REACH OF CHILDREN

Novella Brands Inc.
120 Midair Court
Brampton, ON
L6T 5V1
905 790-0636

DIRECTIONS FOR USE:

For protection from mosquitoes, black flies, stable flies, deer flies, biting midges, ticks and chiggers. Tear open sachet and remove and unfold towelette. Using the towelette, apply a thin, even film to all exposed skin. Apply sparingly, not under clothing and only when necessary. Avoid eyes and mouth when applying to face. Wash hands after applying. Use just enough to cover exposed skin. Reapply after approximately 6 hours if necessary.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. DO NOT use on children under 12 years of age. Causes eye irritation. DO NOT get in eyes and avoid contact with mouth. Do not apply over cuts and wounds or sunburned skin or under clothing. Discontinue use if signs of irritation or rash appear. After returning indoors wash treated skin with soap and water. May damage furniture finishes, plastic, painted surfaces, synthetic fabrics or leather. Keep away from open flame or spark.

FIRST AID:

General: Stop using the product immediately and wash skin with soap and water if you experience skin reactions or any other adverse effects. Seek medical attention if symptoms persist.

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take container, label or product name and PCP Registration Number with you when seeking medical attention.

DISPOSAL:

Do not use empty container. Wrap in newspaper and dispose with household garbage.

TOXICOLOGICAL INFORMATION:

Treat Symptomatically
