Secondary Panel

Lysol® Brand II Disinfectant Spray is a versatile formula. Triple action formula. **Disinfect to Protect! Lysol® Brand II Disinfectant Spray helps protect your family by killing harmful viruses and bacteria** on hard non-porous surfaces **and deodorizes** hard non-porous surfaces **by killing bacteria that cause odours**. Lysol Brand II Disinfectant Spray has a fresh scent. To eliminate bacteria and odours on hard non-porous surfaces, spray on surfaces such as empty garbage cans, diaper pails, doorknobs, telephones, toilet seats, around toilet areas, bathroom surfaces and in nurseries and sick rooms. Excellent for killing 99.9% of bacteria on fabrics. Spray on fabrics that are not typically or frequently washed: backpacks and sports bags, fabric covering upholstered furniture, draperies and fabric shower curtains. Note that this product is not intended to treat and penetrate thick material such as foam. Excellent for controlling Mold & mildew on hard non-porous surfaces.

This treatment is not for human clothing.

This treatment should not replace regular maintenance and routine cleaning.

Optional Statements:

Respiratory illnesses attributable to 2009 (H1N1) pandemic are caused by Influenza A virus. LYSOL® Brand II Disinfectant Spray is a general virucidal hard surface disinfectant that is expected to inactivate the 2009 (H1N1) pandemic Influenza A virus.

Kills Polio and Influenza A virus and is likely to kill the current Influenza A H1N1 virus.

Effective against Polio and Influenza A virus and likely to kill 2009 (H1N1) pandemic Influenza A virus.

This product has demonstrated effectiveness against Polio and Influenza A virus and is expected to inactivate all Influenza A viruses including 2009 (H1N1) pandemic Influenza A virus.
