DIRECTIONS FOR USE: SHAKE WELL BEFORE USING. Hold container with nozzle aimed away from you. Depress valve and spray lightly from a distance of 20-25 cm (8 to 10 in.). Always test an area before spraying. Spray in an inconspicuous area to test for possible staining or discoloration. Evaluate test area after drying. **DO NOT** treat bed linens. **DO NOT** treat clothing. **DO NOT** use articles until treatment is dry. Do not use tetramethrin in food handling, storage or preparation areas while food is present.

BED BUGS: Apply only as a crack and crevice or spot treatment on and around baseboards, floorboards, bed frames, closets (remove clothing and other articles before treatment), door and window frames, and window treatment hardware such as curtain rods. Apply as a spot treatment to mattresses and box springs (particularly around seams and tufts. Take beds apart, spray all joints). Thoroughly clean and air-out mattresses and box springs. Then treat areas that may harbor Bed Bugs such as tufts, folds and seams. Spray until damp.

Before treatment, remove all bedding and thoroughly vacuum and air out mattresses and box springs. Treat mattresses, box springs, bed frames, and headboards, especially tufts, folds and edges of the mattress. Allow treatment to dry before remaking bed with freshly washed bedding.

DEFINITIONS: A **spot treatment** is made to a localized surface area not greater than 0.2 m². Spots are not to be adjoining and the total area of spots is not to exceed 10% of the surface area being treated (e.g. floors, walls, ceilings). A **crack and crevice** application is made into narrow openings on the surfaces of the structure. Such openings commonly occur at expansion joints, utility entry points and between different elements of construction (e.g. baseboards, moulding).

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN AND PETS. Harmful if swallowed or absorbed through skin. Contains petroleum distillate. Do not breathe vapours or spray mist. Avoid contact with skin or eyes. Wash hands with soap and warm water after use. **DO NOT SPRAY ANIMALS WITH THIS PRODUCT.** Cover fish aquariums before spraying. Remove animals for a minimum of 1 hour when spraying room. Vacate room for at least 15 minutes after spraying, and aerate before re-entering. Avoid contact with treated surfaces until dry. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 50°C may cause bursting. Do not use this product in or on electrical equipment due to possibility of shock hazard.

FIRST AID: If swallowed, call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. **If on skin or clothing,** take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. **If inhaled,** move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. **If in eyes,** hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically. Contains petroleum distillates.

2022-2124
2022-07-06

Vomiting may cause aspiration pneumonia.

ENVIRONMENTAL HAZARDS: Toxic to aquatic organisms.

STORAGE: Store in a cool dry area away from heat or open flame.

DISPOSAL: Do not use empty container. When container is empty, press button to release all pressure. Wrap container in several layers of newspaper and discard in household garbage. Do not puncture or incinerate.
