**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.

**DIRECTIONS FOR USE:** To be used in the manufacture of a pesticide registered under the *PEST CONTROL PRODUCTS ACT*.

**PRECAUTIONS:** PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Harmful or Fatal if swallowed. CORROSIVE to the eye. DO NOT get in eyes. May irritate the skin. Avoid contact with skin. Potential skin sensitizer. Wash thoroughly after handling. Formulators and other handlers must wear coveralls over a long-sleeved shirt, long pants, shoes plus socks, chemical-resistant gloves, and protective eyewear (safety glasses). Chemical-resistant gloves and protective eyewear should also be worn during repair and clean-up activities.

Rinse gloves with soap and water before removal, and wash hands thoroughly before eating, smoking or drinking. Clean protective equipment daily. Discard clothing or other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. DO NOT reuse them. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

**FIRST AID:** Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**TOXICOLOGICAL INFORMATION:** No specific antidote is available. Treat the patient symptomatically. This product contains petroleum distillates. Vomiting may cause aspiration pneumonia.

**ENVIRONMENTAL PRECAUTIONS:** This product contains an active ingredient and aromatic petroleum distillates which are toxic to aquatic organisms and non-target

terrestrial plants. Do not contaminate aquatic systems by cleaning of equipment or disposal of wastes.

**STORAGE:** Store this product away from food or feed. Store in a cool, dry place. Do not store below freezing. Shake well before using. Store product in original container only and keep closed. To prevent contamination, store this product away from other pesticides, feeds, seeds, fertilizers, water, food, or feed.

**DISPOSAL:**

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial/ territorial regulations. For additional details and cleanup of spills, contact the manufacturer or the provincial/territorial regulatory agency.
