## **DIRECTIONS FOR USE**

To be used only in the manufacture of a pesticide which is registered under the PEST CONTROL PRODUCTS ACT.

## **PRECAUTIONS:**

KEEP OUT OF REACH OF CHILDREN. Strictly observe all precautions for handling and using pesticides. Fatal or poisonous if swallowed. May be fatal if inhaled. Avoid breathing dust. Potential skin sensitizer. Avoid contact with skin, eyes and clothing. Do not contaminate food, feed or water supplies.

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL

## **FIRST AID:**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**IF INHALED:** Move the person to fresh air. If the person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

## **TOXICOLOGICAL INFORMATION:**

There is no specific antidote for this product. Treat symptomatically.

## **ENVIRONMENTAL PRECAUTIONS:**

This pesticide is highly toxic to fish and aquatic invertebrates.

## **DISPOSAL/DECONTAMINATION:**

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial/territorial regulations. For additional details and clean-up of spills, contact the manufacturer or the provincial/territorial regulatory agency.

**STORAGE:**

Store in a cool, dry, secure and well ventilated area. To prevent contamination store this product away from food or feed. Keep pesticide in original container. Do not store near heat or open flame.

Do not store contents in metal containers. Do not store contents at high temperatures (>50 °C). Protect from light.

**NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *PEST CONTROL PRODUCTS ACT* to use this product in a way that is inconsistent with the directions on the label.

**IN CASE OF EMERGENCY INVOLVING A POISONING OR MAJOR SPILL CALL**
