## NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.

## FIRST AID

**IF POISONING IS SUSPECTED, IMMEDIATELY** contact a physician or a poison control centre. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**IF SWALLOWED**, call a poison control centre or doctor **IMMEDIATELY** for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**IF ON SKIN OR CLOTHING**, take off contaminated clothing. Rinse skin **IMMEDIATELY** with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**IF INHALED**, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible. Call a poison control centre or doctor for further treatment advice.

**IF IN EYES**, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

## TOXICOLOGICAL INFORMATION

Treat symptomatically.

## PRECAUTIONS

### PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

Fatal or poisonous if swallowed. Harmful if inhaled. Avoid inhaling/breathing dust. Strictly observe all precautions for handling and using pesticides. Avoid contact with skin, eyes and clothing. Do not contaminate food, feed or water supplies. Workers using this product in an open system must wear protective clothing: safety boots, coveralls, impervious gloves, safety glasses/face shield, cartridge-type respirator and hat. Wash with soap and water after handling, and before eating, drinking or smoking. Wash contaminated clothing before re-use. Do not wear contaminated shoes.

DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries or other waters.

## ENVIRONMENTAL PRECAUTIONS

TOXIC to aquatic organisms.

### **STORAGE**

Store in original container in a well-ventilated, cool, dry, and secure area. Keep containers tightly closed. Avoid contamination of seed and feed. Do not use or store product near heat or open flame.

### **DISPOSAL**

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the manufacturer or the provincial regulatory agency.

***IN CASE OF EMERGENCY INVOLVING A MAJOR SPILL, FIRE OR POISONING,  
CALL 1-800-327-8633 (FASTMED)***

### **DIRECTIONS FOR USE**

To be used only in the manufacture of a pesticide registered under the *Pest Control Products Act*.
