**DIRECTIONS FOR USE:**

ACTICIDE® IP 100 is sold for industrial use only. Formulators are responsible for their own registration. To be used only in the manufacture of a pesticide which is registered under the *Pest Control Products Act*.

**USE LIMITATIONS:**

Treatment facilities shall provide appropriate industrial hygiene measures and safety equipment for the safe use of this product. The treatment site must have effective containment and pollution abatement technology to insure that the pesticide is not released into the surrounding environment under normal operating conditions. Freshly treated wood shall be handled and sorted in a manner which provides no opportunity for the preservative release into the environment. Outdoor treatment facilities are prohibited. Do not use ACTICIDE® IP 100 treated wood for the construction of food holding containers or food storage.

**PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL** Corrosive to eyes and skin. Do not get in eyes, on skin, or on clothing. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists. May be fatal if inhaled. Do not inhale vapors or mist. When handling the concentrate, wear full face protection with cartridge respirator and chemical resistant gloves, apron, cap and boots. Use only in well ventilated areas. Do not wear contact lenses. Do not contaminate water, food or feed by storage or disposal.

**FIRST AID:**

**If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**If on skin or clothing:**

Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

**If inhaled:**

Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**If in eyes:**

Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:**

Probable mucosal damage may contraindicate the use of gastric lavage. Treat symptomatically.

**PHYSICAL AND CHEMICAL HAZARDS:**

Do not use, pour, spill or store near heat or open flame.

**ENVIRONMENTAL HAZARDS:**

This product is toxic to fish. Do not apply directly to water or wetlands. Do not contaminate water by cleaning of equipment or disposal of wastes.

**DISPOSAL:** Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and information on cleanup of spills, contact the provincial regulatory agency or the manufacturer.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
