DIRECTION FOR USE:

To be used only in the manufacture of wood preservative products which are registered under the **PEST CONTROL PRODUCTS ACT**. Formulators are responsible for obtaining their own registrations for their formulated pest control products. Post a copy of this label in the work area.

PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

Strictly observe all precautions for handling and using pesticides. Avoid contact with skin, eyes and clothing. Do not contaminate food, feed or water supplies. Workers using this product in an open system must wear protective clothing: safety boots, coveralls, impervious gloves, safety glasses/faceshield and cartridge-type respirator.

This product is flammable. Avoid contact with oxidizing materials.

FIRST AID:

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take the container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

ENVIRONMENTAL PRECAUTIONS:

TOXIC to aquatic organisms.

DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

TOXICOLOGICAL INFORMATION: There is no specific antidote for Shar Propi Wood Protection. Treat symptomatically.

DISPOSAL AND DECONTAMINATION:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the manufacturer or the provincial regulatory agency.

STORAGE:

Store in the original container in a well ventilated, cool, dry place. Do not contaminate water, food or feed by storage or disposal.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
