**NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.

**FIRST AID:**

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin/clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:**

Treat symptomatically.

**PRECAUTIONS:**

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.. May cause sensitization. Avoid contact with eyes, skin or clothing. Avoid inhaling/breathing dust.. Wear a long-sleeved shirt, long pants, shoes plus socks, water-proof gloves and NIOSH approved particulate filtering facepiece respirator with any N, R, P filter when handling and during all clean-up and repair activities. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

**STORAGE:**

To prevent contamination, store this product away from food or feed. Store in a dry area inaccessible to children. Keep out of reach of children and animals. Store in original container only. Store at temperatures  $\leq 4^{\circ}\text{C}$  for up to 6 months from the date of manufacture. Carefully open container. After partial use, replace lid and close tightly.

**DISPOSAL:**

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the manufacturer or the provincial regulatory agency.

**IN CASE OF EMERGENCY CONTACT 1-800-331-3148 (24 HOURS).**

**DIRECTIONS FOR USE:**

To be used only in the manufacture of a product which is registered under the PEST CONTROL PRODUCTS ACT.
