#### DIRECTIONS FOR USE

Shake well before use. Thoroughly spray insect pests to wetting on all plant parts, including undersides of leaves. Repeat treatment weekly or bi-weekly if needed. May be used on edible crops up to and including day of harvest. Wash produce before using.

Do not use on sweet peas, nasturtiums, delicate ferns. Use with care on new seedlings, transplants and blooms. Avoid spraying during full sun. If concerned about sensitivity of plants, apply to individual plants or small areas of plants and wait to determine if plant damage occurs prior to treatment of larger areas.

#### PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN

Avoid direct application to ponds, streams and lakes. May irritate eyes and/or skin. Avoid contact with eyes, skin and clothing. For good hygiene practice, wear gloves when handling this product.

#### TOXICOLOGICAL INFORMATION:

Treat symptomatically.

#### FIRST AID

If in eyes, hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

#### DISPOSAL

Do not reuse empty container. Dispose of empty container with household garbage. Unused or partially used products should be disposed at provincially or municipally designated hazardous waste disposal sites.

#### NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
