#### **DIRECTIONS FOR USE:**

Shake well before using. Apply sparingly, not under clothing and only when necessary. TO APPLY TO FACE: Spray hands and apply avoiding eyes and mouth. Do not spray directly on the face. Do not spray in enclosed spaces. For continued protection from mosquitoes, biting midges, and ticks, re-apply after 2 hours or for black flies, re-apply after 5 hours. Earlier re-application may be necessary after swimming, perspiration, vigorous activity or toweling. Do not apply more than 2 times per day. Do not apply to cuts or irritated skin. Wash contaminated clothing before reuse. After returning indoors, wash treated skin with soap and water.

#### **PRECAUTIONS:**

**KEEP OUT OF REACH OF CHILDREN AND PETS.** May irritate eyes. If skin irritation or other adverse effects develop, wash with soap and water immediately and discontinue use. Avoid contact with eyes and mouth. Do not use on children under 3 years of age. Apply with caution to small children. Do not apply to the hands of children. Do not allow use by children without close adult supervision. Do not apply to excessively sunburned or damaged skin.

#### **FIRST AID:**

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**If swallowed:** call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do NOT induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

#### **TOXICOLOGICAL INFORMATION:**

Treat symptomatically.

#### **STORAGE:**

Store in a cool, dry place out of the reach of children. Keep away from heat, sparks and open flame.

#### **DISPOSAL:**

Do not reuse empty container. Wrap and dispose of empty container with household garbage.

#### **NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.
