DIRECTIONS FOR USE

To be used only in the manufacture of a plant growth regulator, which is registered under the Pest Control Products Act.

PRECAUTIONS

- PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.
- Corrosive. Causes irreversible eye damage.
- May be fatal if inhaled. Harmful if absorbed through skin.
- Avoid inhaling/breathing dusts. Wear an approved respirator when handling large amounts.
- Severely irritating to the eye.
- DO NOT get in eyes. Wear safety goggles when handling.
- Remove and wash contaminated clothing before reuse.
- Wash thoroughly after handling and before eating, drinking or smoking.
- Do not contaminate irrigation water.

FIRST AID

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

Possible mucosal damage may contraindicate the use of gastric lavage.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, sewers or other waters.

STORAGE

- Keep in original container during storage.

- Store product in cool, dry, well ventilated place away from seed, fertilizer or other pesticides.
- Keep away from fire or open flame, or other sources of heat.

DISPOSAL

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the manufacturer or the provincial regulatory agency.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.
