2024-1909
2024-06-05

Spore of *Bacillus amyloliquefaciens* strain FZB42 to be used only for the manufacture of an end-use product registered under the Pest Control Products Act for management of soil borne diseases.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. May cause eye irritation. Potential sensitizer. For good hygienic practice, wear chemical resistant gloves and coveralls when handling this product. Do not contaminate any body of water by cleaning of equipment or disposal of wastes.

FIRST AID:

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control centre or a doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing call 911 or an ambulance, then give artificial respiration, preferable by mouth-to-mouth, if possible. Call a poison control centre or a doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or a doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treat symptomatically.

STORAGE:

Store the product away from food or feed. This product should be used within 6 months from the date of manufacture when stored at $\leq 4^{\circ}\text{C}$.

DISPOSAL:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal and provincial regulations. For additional details and clean up of spills, contact the manufacturer or the provincial regulatory agency.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way this is inconsistent with the directions on the label.
