NOTICE TO USER: This pest control product is to be used only in accordance with the directions on this label. It is an offence under the *Pest Control Products Act* to use a control product in a way that is inconsistent with the directions on the label.

DIRECTIONS FOR USE: To be used in the manufacture of a pesticide which is registered under the **PEST CONTROL PRODUCTS ACT**.

PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. HARMFUL OR FATAL IF SWALLOWED. MAY IRRITATE EYES. Avoid contact with skin, eyes and clothing. Wash concentrate from skin or eyes immediately. Avoid working in spray mist. After use wash hands and other exposed skin.

Formulators and other handlers must wear coveralls over a long-sleeved shirt, long pants, chemical-resistant nitrile gloves, chemical resistant apron, protective eye wear (face shield or safety glasses), socks and shoes.

Rinse gloves before removal. Wash hands before eating, drinking, using tobacco or using the toilet. If THUMPER MUP penetrates clothing remove immediately; then wash thoroughly and put on clean clothing. Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. DO NOT reuse them. After using this product, remove clothing and launder separately and promptly and thoroughly wash hands and exposed skin with soap and water. Wear freshly laundered clothing and clean protective equipment daily. Follow manufacturer's instructions for cleaning personal protective clothing and equipment. If no such instructions for washables are provided, use detergent and hot water. Keep and wash personal protective equipment separate from household laundry.

FIRST AID: Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

TOXICOLOGICAL INFORMATION: This product may cause mild irritation to the eyes. Overexposure may cause coughing, burning, dizziness or temporary loss of muscle coordination. Other possible effects of overexposure include fatigue, muscle weakness and nausea. Treat symptomatically. Medical personnel should contact Bayer's medical information services tollfree 1-800-334-7577. This product contains an aromatic hydrocarbon solvent.

ENVIRONMENTAL PRECAUTIONS: TOXIC to small mammals, birds and non-target terrestrial plants. Toxic to aquatic organisms. This product contains a petroleum distillate which is moderately to highly toxic to aquatic organisms. Do not contaminate aquatic systems by cleaning of equipment or disposal of wastes

STORAGE: THUMPER MUP will solidify at temperatures below 20°C but will become usable at temperatures above 0°C. Store the container tightly closed away from seeds, feeds, fertilizer, plants and foodstuffs.

DISPOSAL:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and cleanup of spills, contact the manufacturer or the provincial regulatory agency.
