DIRECTIONS FOR USE

To be used only in the manufacture of a pesticide that is registered under the *Pest Control Products Act*.

PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL

1. May irritate eyes. Avoid contact with eyes. Potential skin sensitizer. Protective eyewear should be worn when handling this product.
2. Harmful or fatal if swallowed. Use good personal hygiene, washing hands and exposed skin before eating, drinking, or smoking. No food, drink, or tobacco should be allowed in areas of chemical storage or use.
3. Do not contaminate any body of water.

FIRST AID

IF SWALLOWED: Call a poison control center or doctor **IMMEDIATELY** for treatment advice. Have person sip a glass of water if able to swallow. **DO NOT** induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

GENERAL: seek medical attention immediately if toxicity/irritation persists or is severe. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

NOTE TO PHYSICIAN: If ingested, induce emesis or lavage stomach. Treat symptomatically.

STORAGE

Store in original container only, in a cool, dry, locked area. Store this product away from food or feed.

DISPOSAL

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal and provincial regulations. For additional details and clean-up of spills, contact the manufacturer and the provincial regulatory agency.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this control product in a way that is inconsistent with the direction on the label.
