DIRECTIONS FOR USE

This product is to be used only in the manufacture, formulation or repackaging of pesticides, which are registered under the PEST CONTROL PRODUCT ACT.

End users of this product who formulate pesticides are required to obtain registration under the PEST CONTROL PRODUCTS ACT for the specific pesticide uses.

PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN AND/OR PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

Neutralize spills with bicarbonate of soda or lime. High grade activated carbon (charcoal) removes dissolved/ionic copper (Cu2+) from systems.

Wear goggles, long pants, a long-sleeved shirt and shoes plus socks during mixing/loading, application, clean-up and repair. In addition, wear chemical-resistant gloves during mixing/loading, clean-up and repair.

Remove personal protective equipment immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing. Remove clothing/personal protective equipment immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Discard clothing and other absorbent material that have been drenched or heavily contaminated with the product's concentrate. Do not reuse them.

For cleaning/maintaining personal protective equipment, use detergent and hot water. Keep and wash personal protective equipment separately from other laundry.

Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Note: Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

HANDLING: Handling and storage equipment must be fibreglass, PVC, polypropylene, viton (synthetic rubber), or stainless steel (both 304 and 316 grades). NEVER use nylon, aluminum, copper, brass or mild steel parts or components in contact with full strength POLYDEX. Fabrics containing cotton will dissolve on contact with full strength POLYDEX. Always rinse equipment with plenty of fresh clean water. Do not allow product to freeze. If product does freeze, it can be warmed to room temperature and mixed until clear without any loss of efficacy.

DISPOSAL: Canadian formulators of this using this product should dispose of unwanted active and containers in accordance with municipal and provincial regulations. Triple or pressure-rinse the empty container. Add the rinsings to the treatment site. Follow provincial instructions for any required additional cleaning of the container prior to its disposal. Make the empty container unsuitable for further use. Dispose of the container in accordance with provincial requirements. For information on the disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

ENVIRONMENTAL HAZARD: TOXIC to aquatic organisms (copper sensitive aquatic plants, invertebrates, and fish).

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
