RV-Boss™ Holding Tank Treatment – 8 Treatments eliminates odours instead of masking them with fragrances.

BOSS products are used in several countries for the treatment of waste water from agricultural, municipal, recreational and residential.

Contains: Copper Sulfate (II) Pentahydrate, Sulfuric Acid.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Harmful if inhaled. Avoid inhaling/breathing smoke, fumes, or vapours. **CORROSIVE** to the eye. **DO NOT** get in eyes. Corrosive - causes severe skin burns. **DO NOT** get on skin. May cause dangerous fumes when mixed with other products. Do not mix with Alkali. Use in a well-ventilated area. Handle with care.

It is recommended to wear protective eyewear and rubber gloves when handling this product.

DO NOT apply this product in a way that will contact bystanders, either directly or indirectly.

Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically

ENVIRONMENTAL PRECAUTIONS: Toxic to aquatic organisms.

DIRECTION FOR USE:

DO NOT apply to any body of water

BLACK WATER: To treat 90 liters (20 gal), pour 95 ml (3.2 oz.) of **RV-Boss™ Holding Tank Treatment – 8 Treatments** in the toilet bowl. Do not exceed 95 mL of product per single application.

GREY WATER: To treat 90 liters (20 gal), dilute 48 ml (1.6 oz.) of **RV-Boss™ Holding Tank Treatment – 8 Treatments** into 500 ml (16 oz.) of water and pour down the sink. Do not exceed 48 mL of product per single application.

NOTE: Avoid contact with chrome. Do not use in combination with other products.

STORAGE: KEEP FROM FREEZING. Store this product away from food or feed. Do not store on concrete.

DISPOSAL: DO NOT reuse the empty containers. Dispose in household garbage. Unused or partially used products should be disposed at provincially or municipally designated hazardous waste disposal sites.

If **RV-Boss™ Holding Tank Treatment – 8 Treatments** does not perform to your expectation, call us at 1 800 771-6728
