Westokleen RT-W is exclusively utilized as sanitizing solution in railway on board toilet systems. It is a powerful cleaner sanitizer with fast cleaning and disinfecting action.

DIRECTIONS FOR USE:

Dilute 1 part of Westokleen RT-W with 1 part of water. Use aqueous solution to charge locomotive toilets.

PRECAUTION:

Do not take internally. Harmful if swallowed. Avoid contact with eyes or skin.

TOXICOLOGICAL INFORMATION:

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock respiratory depression and convulsions may be needed.

FIRST AID TREATMENT:

If splashed into eyes or on to skin, flush thoroughly with water for 15 minutes. If eye irritation persists, get medical attention.

DISPOSAL:

1. Rinse the emptied container thoroughly and add the rinsing to treatment site.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal or reconditioning.
3. Dispose of the container in accordance with provincial requirements.
4. For information on the disposal of unused, unwanted product and the cleanup of spills contact the regional office of Environment Canada.
5. For small spills, recover free liquid. Soak up residue with solids absorbent. DO NOT FLUSH INTO SURFACE STREAMS. INFORM ENVIRONMENT CANADA AS IN #4.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
