DIRECTIONS FOR USE:

For slime control in pulp, paper and paperboard mills, use 150 to

600 g per 1,000 kg of dry furnish.

Do not use in potable water supply.

PRECAUTIONS:

May cause irritation of skin and eyes. May cause skin sensitization. Avoid contact with skin, clothing or eyes. Wear rubber gloves. Do not inhale dust. Wash hands thoroughly after handling. Remove contaminated clothing and wash before reuse.

FIRST AID:

Wash skin with soap and water for at least 15 minutes. If contact with eyes, immediately flush with large amounts of water and get medical attention.

TOXICOLOGICAL INFORMATION:

Product as a dry material or in a concentrated solution could be fatal if swallowed. Give the patient repeated glasses of warm water and call a physician.

DISPOSAL:

1. Close valve.
2. Arrange for return of Porta-Feed.
3. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the regional office of Environment Canada.
4. For small spills. Recover free liquid. Soak up residue with solids absorbent. DO NOT FLUSH INTO SURFACE STREAMS. INFORM ENVIRONMENT CANADA AS IN #3.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
