DIRECTIONS FOR USE

GENERAL INSTRUCTIONS: Use DITHANE M-22 SPECIAL at 1.10 to 3.25 kilograms per hectare except as noted below. Wash DITHANE M-22 SPECIAL through the screen or sift slowly into spray tank when partially filled. Add insecticides or nutritional sprays and

spreaders last. DITHANE M-22 SPECIAL is compatible with most insecticides. In regular spray equipment, use 800 to 1000 litres per hectare for low growing crops. Use 1000 to 1500 litres per hectare for heavy tomato and potato vines. DITHANE M-22 SPECIAL may be used in low volume or concentrate sprays by increasing the dosage accordingly, following local recommendations.

#### VEGETABLES

POTATOES - Early and late blight: Apply at 7 to 10 day intervals throughout the season. Begin application early, applying 1.1 kilograms DITHANE M-22 SPECIAL per hectare and increasing to 1.75 to 2.25 kilograms per hectare as vines increase in size. Do not apply within 1 day of harvest.

CELERY - Early and late blight: Begin spraying in the plant bed when plants first come through the ground. Make further applications at 3 to 5 day intervals until plants are set in field. Continue field application on regular weekly schedule. Do not apply within 14 days of harvest. At harvest, trim and wash celery.

#### PRECAUTIONS

May cause irritation of nose, throat, eyes, and skin. Do not breathe dust or spray mist. Keep away from fire and sparks. Store in a cool place. Do not allow to become wet or overheated in storage. This may generate inflammable vapours. Keep container closed when not in use. Keep out of reach of children. Crush or puncture empty container and dispose of by burial or other proper means. Avoid contamination of water supplies.

#### FIRST AID

In case of skin contact, wash with soap and water. If taken internally, induce vomiting by inserting finger into throat. Drink copious quantities of water.

#### TOXICOLOGY

Treat as above for skin contact. If taken internally administer gastric lavage.

NOTICE TO USER

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
