475 mL

SANDOZ AGRO CANADA, INC.
SUITE 302, PLAZA 4, 2000 ARGENTIA ROAD
MISSISSAUGA, ONTARIO L5N 1W1

DIRECTIONS FOR USE:

SHAKE WELL BEFORE USING

ON PETS: Cover animal's eyes with hand and with a firm fast stroke, spray head, ears and chest until damp. With fingertips, rub into face and around mouth, nose and eyes. Then spray the neck, middle and hind quarters finishing with legs last. For best penetration, spray against natural lay of the hair. On a heavily coated animal, ruffle the coat and spray against the lay of the hair. Apply as evenly as possible because fleas will migrate to untreated areas. Spray ticks directly. Do not soak the animal. Do not treat more often than once per week.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Do not spray in eyes, on face, or on scrotum of pet. Discontinue use if dermal

or nasal irritation develops. Do not use on nursing females or on animals under eight weeks of age. Do not use on sick animals. Do not use on animals under drug or pesticide treatment. For use on pregnant animals, consult a veterinarian. Do not use near birds, fish, feed or foodstuffs. Avoid inhalation of spray. Wash hands after use.

DISPOSAL: Do not re-use container. Wrap and dispose of empty container with household garbage.

FIRST AID: If on skin, wash thoroughly with soap and water. If sprayed in eyes, flush with clean water. If irritation persists, obtain medical attention. If accidentally swallowed, obtain medical attention at once.
