KEEP THE BOX FOR USE DIRECTIONS

Insecticide-Fungicide for Roses and Flowers has been specially formulated to control major diseases (black spot) and insects on roses, flowers and ornamentals.

DIRECTIONS

5 mL = 1 teaspoon

15 mL = 1 tablespoon

SHAKE WELL BEFORE USING

Mix 10 mL per litre of water. Shake sprayer frequently while spraying. Thoroughly cover all sides of foliage and stems. Apply lightly on young tender foliage. Apply every 7 to 10 days or as needed.

Insects Controlled: Aphids, Caterpillars, Flea Beetles, Japanese Beetles, Lace Bugs, Leafhoppers, Leafrollers, Mites, Plant Bugs, Rose Aphids, Rose Chafer, Rose Slug, Sawflies, Scale Insects (exposed crawler stage only), Thrips (exposed), Whiteflies.

Diseases Controlled: Black Spot of Roses, Powdery Mildew, Septoria Leaf Spot on Chrysanthemums, Anthracnose on Snapdragons, Alternaria Leaf Spot on Carnations, Marigolds, and Zinnias.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Wash thoroughly after use. Avoid inhaling spray mist or contact with eyes, skin or clothing. Do not apply indoors. Avoid contamination of food, feed, utensils, drinking water or any body of water. Carbaryl is toxic to bees. Do not use where bees are foraging. Do not apply spray when temperature is over 27°C or under poor drying conditions. Keep children and pets away from treated area during application and until dry.

DISPOSAL: Triple rinse container into sprayer and dispose of empty container with household garbage.

FIRST AID: If swallowed, induce vomiting by giving patient 1 or 2 glasses of water and inserting finger down throat. Obtain medical attention. If in eyes, flush with water and obtain medical attention. If on skin, wash with soap and water. If patient is unconscious, give him air.

TOXICOLOGY: Carbaryl and pirimicarb are moderate, reversible cholinesterase inhibitors. Atropine at 1-4 mg by intramuscular injections is antidotal followed by a further 2 mg every 30 min. as necessary. P2S AND 2-PAM are not effective.

Pirimicarb - Canadian Patent No. 933,159.
