2 Million Scoville Heat Units

Net Weight: 90 grams (3 oz.)

Manufactured and Distributed By:
Under Pressure, Inc.
4902 53rd St.
Red Deer, Alberta
T4N 2E9

DIRECTIONS: This product is for use against aggressive dogs only. Make sure of the direction of spray. Press release valve. For effective results: the eyes, mouth and nose of attacking dog must be sprayed.

PRECAUTIONS: Severe irritation to eyes, nose and skin can occur. Avoid contact with skin and eyes and inhalation of spray. Contents under pressure. Persons with respiratory problems or wearing contact lenses should not use this product. Do not puncture container or store at temperatures over 50'C. While travelling, do not store in passenger compartment. Contact air carriers concerning transport.

FIRST AID: If contact occurs with skin, nose or eyes, flush repeatedly with cold water. Symptoms usually do not persist for more than one hour. Obtain medical attention if symptoms persist.

DISPOSAL: When container is empty, press valve to release all pressure. Wrap and dispose with household garbage.
