ANCASTER, ONTARIO L9G 4V5

DESCRIPTION

WARRIOR is a powerful heavy-duty cleaner-degreaser, highly concentrated for every kind of maintenance cleaning job, including tough industrial ones.

WARRIOR is safe on floors, walls, woodwork, all water washable surfaces, and keeps its power in hot or cold, hard or soft water,

and even when the bucket is loaded with dirt.

DIRECTION FOR USE

For light cleaning and sanitizing Use 16 ml (1.6%) per L of water For normal cleaning and sanitizing Use 25 ml (2.5%) per L of water For heavy duty cleaning Use 38 ml (3.75%) per L of water

THIS PRODUCT MAY BE USED IN FOOD PROCESSING ESTABLISHMENTS.

All surfaces subject to food contact must be thoroughly rinsed with water of potable quality.

At a dilution of 3.75% (38 ml per L of water) WARRIOR is a germicide and disinfectant against: Staphylococcus aureus, Salmonella typhosa, Trichophyton interdigitale, Salmonella choleraesuis, Escherichia coli and Pseudomonas aeruginosa.

At a dilution of 1.6% (16 ml per L of water) WARRIOR is a very good sanitizer-deodorizer because it destroys odor-producing bacteria.

HOSPITAL DISINFECTION: Dilution rate: 50 ml (5.0%) per L water.

Area of use: walls, floors, sinks, toilet bowls, countertops, tables, chairs, telephones, bed frames, and all other hard surfaces in operating rooms, patient care facilities, and rest rooms.

PRECAUTIONS:

DANGER corrosive to the eyes-may cause skin irritation. Avoid eye contact with diluted or undiluted product. Avoid contact of undiluted product on skin.

FIRST AID: In case of contact, flush eyes or skin with plenty of water. For eyes call a physician. If swallowed, drink milk or large quantities of water. Call a physician.

DISPOSAL:

1. Rinse the emptied container thoroughly and add the rinsings to treatment site.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal or reconditioning.
3. Dispose of the container in accordance with provincial requirements.
4. For small spills - recover free liquid, then soak up residue with solids absorbent.

DO NOT FLUSH INTO SURFACE STREAMS.
INFORM ENVIRONMENT CANADA.

5. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the regional office of Conservation and Protection Service, Environment Canada.

NOTICE TO USER: This control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
