Made in USA

BREATH O' PINE

Effective against specific gram-
negative household bacteria.

DIRECTIONS FOR USE:

TO CLEAN DISINFECT * & DEODORIZE HARD NON-POROUS SURFACES IN ONE

OPERATION: Use a mop or brush to apply a solution of 80 mL Breath O' Pine to 5 L of water for moderately soiled surfaces such as floors, pet quarters, and garbage cans, maintaining a thoroughly wet surface for 10 minutes. Mix fresh solution between each use; no rinsing necessary except on rubber or asphalt tile and on food contact surfaces. Heavily soiled surfaces must be pre-cleaned first, followed by a second application using directions above to disinfect. Use full strength for cutting grease, crayon, old wax or other heavy-duty cleaning jobs; rinse immediately.

PRE-SOAKING: Use 150 mL per 5 L of water for diapers, baby clothes and bedding.

LAUNDRY: Use full strength on heavily soiled areas such as collars, cuffs and grease stains. Rub-in well and use 150 mL in water along with regular detergent as a cleaning booster and deodorizer.

PRECAUTIONS: DANGER-EYE IRRITANT: Take extreme caution during dilution or pouring the product to avoid eye and skin contact. Harmful or Fatal if swallowed.

FIRST AID TREATMENT: If swallowed, call physician or poison control centre immediately. If in eyes: Flush with plenty of water. Get medical treatment.
