DIRECTIONS FOR USE

Proper application of RAISIO 921 depends on many factors such as system design and severity of the problem. This product is to be used in accordance with control procedures established by a RAISIO Technical Representative for a specific system. The use rate ranges between 0.25 and 1.0 kg per tonne of pulp or paper produced.

PRECAUTIONS: HARMFUL OR FATAL IF SWALLOWED OR ABSORBED THROUGH SKIN.

May cause delayed chemical burns. Causes eye and skin irritation. Do not get into eyes, or on skin or clothing. Wear goggles or face mask and rubber gloves when handling. Wash thoroughly after handling. Remove and wash contaminated clothing before reuse.

This product is toxic to fish and wildlife. Treated effluent should not be discharged where it will drain into lakes, streams, ponds, or public waters. Do not contaminate water by cleaning of equipment or disposal of waste. Do not reuse empty container. Keep containers closed.

FIRST AID: In case of contact with skin, wash well with soap and water. In case of contact with eyes, flush promptly and thoroughly with clear water. In case of ingestion or contact with eyes, secure immediate medical attention.

DISPOSAL:

1. Rinse the emptied container thoroughly and add the rinsings to treatment site.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the Provincial Regulatory Agency or the Manufacturer.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out upon this label and subject thereto. The buyer assumes all risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
