DIRECTIONS:

Shake well before using. After use, invert container and spray until air comes out, to clear valve and spray nozzle. Spray in upright position only. Spray only in areas inaccessible to children and pets. Do not use as a general space spray.

B20 residual is for use only with supplied crack and crevice tube for injecting into cracks and crevices and void spaces where insects may be hiding, living and breeding. Place injector tip 2 cm into cracks, crevices, holes and other small openings where insects may be a problem. Release a 1 second spray per spot. In serious infestations or for preventative treatment, place spots approximately 1 meter apart. In long, running crack, move the

injector tip along the crack while spraying at 1 meter per second in light infestation. This powder spray leaves a white residue. Wipe off visible excess residue. Avoid pantry shelves, areas food is stored, and surface used in food preparation.

CRAWLING INSECTS: Cockroaches: Spray into hiding places such as cracks and crevices, moist areas, openings around pipes and sinks, under refrigerators and stoves, behind baseboards and meter boxes. Spray directly on insects in these locations where possible. Repeat as necessary.

VOID TREATMENT: (false ceilings, wall voids, equipment voids and attics, crawl-spaces and manhole where human contact with treated surfaces will be minimal and where access is difficult.

FOR EXPOSED STAGES OF COCKROACHES: Calculate void horizontal surface area and treat at a rate of 3 seconds per square meter. Spray by placing injection tip into crack or crevice, hole or other small opening into void space. Repeat treatment as necessary.

PRECAUTIONS:KEEP OUT OF REACH OF CHILDREN. Contents under pressure. Do not puncture or incinerate container. Do not use or store near heat or open flame. Do not store at temperatures over 50 °C.

Do not spray on plastic, painted or varnished surfaces. Do not spray directly into any electronic equipment such as radios, televisions, computers, motors, or into outlets or switches or any other locations where the powdery residue may foul or short electric contacts and circuits.

Store in a cool area away from heat or open flame. Do not re-use empty container. Dispose of container in regular garbage.

May cause eye damage. Harmful if swallowed, inhaled or absorbed through skin. Do not get in eyes or clothing. Wear goggles or safety glasses when applying. Wash thoroughly with soap and water after handling and before smoking or eating. Remove contaminated clothing and wash before re-use. Avoid contamination of food, utensils and food preparation areas. Spray only in areas inaccessible to children and pets. Do not use as a general space spray.

FIRST AID: If swallowed: Induce vomiting and seek medical attention. Do not induce vomiting if patient is unconscious or convulsing. If inhaled: Remove victim into fresh air. Apply artificial respiration if indicated. If in eyes: Flush eyes with plenty of water. Get medical attention immediately.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
