PEST CONTROL PRODUCTS ACT

DIN 601365

DISTRIBUTED BY:

RECKITT & COLMAN CANADA INC.
TORONTO, CANADA M8Z 5M5

USAPON (R) is designed to thoroughly clean, disinfect and deodorize food processing equipment; refrigerators and coolers; sinks; cutting tables; tanks; poultry hatchery and processing plant equipment, (including hatches, roosts, trays); hospital beds and equipment, carts, as well as general use on walls, floors, lockers, showers or any other washable hard surfaces using hot or cold water.

DIRECTION FOR USE:

1. Damp mopping, light cleaning - add 6 mL per litre of water (1:160).
2. General cleaning and disinfecting - add 12 mL per litre of water (1:80)
3. Heavily contaminated surfaces - add 19 mL to 25 mL per litre of water (1:60, 1:40)

"Allow surface to remain wet for 10 minutes, then remove excess liquid. Prepare a fresh solution for each use."

FOOD PROCESSING AND POULTRY INDUSTRIES

All surfaces subject to food contact must be thoroughly rinsed with potable water after use of this product.

Dilute with water - do not mix with soaps or other chemicals.

PRECAUTIONS:

Keep out of reach of children. Avoid contamination of food. Causes eye and skin irritation. Avoid getting in eyes or on skin or clothes. Harmful if swallowed. Do not store in unlined metal containers.

FIRST AID:

In case of eye or skin contact, immediately flush with plenty of water, continue for at least 15 minutes.

For eyes, seek medical attention promptly.

If swallowed, do not induce vomiting. Drink large quantities of fluids and get medical attention immediately or contact poison control centre.

TOXICOLOGICAL INFORMATION:

Administer a gastric lavage. If breathing becomes difficult, administer oxygen. Neostigmine, edrophonium and central nervous system stimulants are of no value.

DISPOSAL:

1. Rinse the emptied container thoroughly and add the rinsings to the treatment site.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the Provincial Regulatory Agency or the Manufacturer.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the PEST CONTROL PRODUCTS ACT to use a control product under unsafe conditions.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information.
