For use as a spot or crack and crevice treatment to control insects listed on front panel. INDOOR USE: Thoroughly treat cracks, crevices, baseboards, underneath furniture and equipment, around garbage containers, localized areas of floors and floor coverings (spot treatment only) and other places where insects habitate. OUTDOOR USE: Spray outside surfaces of screens, doors, window frames, foundations, patios, light fixtures and other places where insects may alight, or congregate and enter.

DIRECTIONS: DO NOT USE AS A SPACE SPRAY. Hold container approximately 30 cm from surface being sprayed and spray until wet. Thorough applications produce a coating which will vaporize into cracks and crevices for insect control. If reinfestation occurs, repeat applications. Provide adequate ventilation after indoor use. KEEP PETS AND CHILDREN AWAY FROM SURFACE UNTIL DRY.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Contents under pressure. Do not place in hot water or near radiators, stoves, or other sources of heat or store at temperatures over 50°C. Do not puncture or incinerate container. Do not spray near open flame or spark. Harmful if swallowed, inhaled or absorbed through skin or clothing. Avoid contact with eyes, skin or clothing. DO NOT USE ON HUMANS, PLANTS, ANIMALS, FOOD STUFF, FOOD UTENSILS, FISH BOWLS OR ANIMAL FEED AREAS. DO NOT USE AS A SPACE SPRAY. DO NOT CONTAMINATE FOOD STUFF. Do not use in any area where food may be exposed. Do not use in bulk food storage areas. Do not use in cupboards where food or cooking utensils are stored. In homes or dwellings, remove or cover all exposed food and cooking utensils before spraying. Thoroughly wash all surfaces that might contact food before reuse.

FIRST AID: Contains volatile petroleum distillate. If swallowed, DO NOT induce vomiting. Call physician or poison control centre immediately. Chlorpyrifos is a cholinesterase inhibitor. Atropine is antidotal. In case of contact with skin, wash with soap and water. If in eyes, flush with water for 15 minutes and get medical attention.

DISPOSAL: When container is empty, press button to release all pressure then dispose in household garbage. Do not puncture or incinerate.

96/2
