ALBERTA AEROSOL GILLEX
NATURAL PROPELLENT INC.
P.O. BOX 333, STATION R, TORONTO, ON M4G 4C3

DIRECTIONS: For use as a domestic space and contact spray. SHAKE WELL BEFORE USING. Hold can upright while spraying.

TO KILL HOUSEHOLD PESTS: FLYING INSECTS: Flies, mosquitoes, wasps, gnats and flying moths. Close doors and windows. Direct mist upwards in sweeping motion to all parts of the room especially windows and other light sources. Apply 6-10 seconds burst per 30 m³ of space. Whenever possible, keep doors and windows closed for 15 minutes after each treatment. Also direct mist into areas where insects are present. Keep spray at least 1 m from interior wall, fabrics and furniture. Vacate treated area and ventilate room well after use.

CRAWLING INSECTS: Cockroaches, spiders, crickets, ants, carpet beetles, centipedes, silverfish. Spray hiding places such as baseboards, moist areas, openings around sinks, drains and pipes, behind cabinets and storage areas. Spray ant trails, around door sills, window frames, or in ant nests. Insects must be hit to be

killed.

BED BUGS: Spray mattress, particularly around seams and tufts. Take beds apart, spray all joints. Repeat as required.

FLEAS: Spray sleeping quarters of pets. Change bedding if necessary.

TO KILL GARDEN PESTS ON FLOWERS AND ORNAMENTALS: SUCKING INSECTS: Exposed thrips, leaf-hoppers, spotted mites, lace bugs, aphids.

CHEWING INSECTS: Caterpillars, climbing cutworms, Japanese beetles. For insects on asters, azaleas, begonias, chrysanthemums, dahlias, delphiniums, gladiolus, irises, marigolds, petunias, roses, snapdragons, evergreens, small deciduous trees, shrubs and vines. Carefully spray with slow sweeping motion keeping 30 cm to 45 cm away from the plants to avoid wetting the foliage. A light spray kills pests effectively. Spray only when air is still and temperature is under 32 deg C. Do not spray in direct sunlight. Early morning or evening is preferred. Use with caution on young plants and new growth. Insects must be contacted by spray to be killed.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Contents under pressure. Do not place container in hot water or near radiators, stoves or other sources of heat. Do not puncture or incinerate container, or store at temperatures over 50 deg C. Cover fish bowls and remove pets for one hour when spraying rooms. In houses or dwellings, remove or cover all exposed foods and cooking utensils before spraying. Avoid contact with skin, eyes, clothing. Avoid inhalation of spray. Wash hands after using. Keep from freezing. Do not use on Maiden Hair ferns. Do not use on vegetable or fruit crops.

FIRST AID: In case of contact with skin or eyes, flush with plenty of water. If irritation persists, or if accidentally swallowed contact physician immediately.

DISPOSAL: When container is empty, press button to release all pressure, then dispose in household garbage. Do not puncture or incinerate.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
