Calgary, AB T2P 2H5

Telephone: 1-800-661-1600

DIRECTIONS FOR USE:

To be used only in the manufacture of a pesticide which is registered under the Pest Control Products Act.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN AND UNAUTHORIZED PERSONNEL.
Wear chemical safety goggles and/or full-face shield to protect eyes and face, if product is handled such that it could be splashed into eyes. Oil impervious gloves should be worn at all times when handling this product. Avoid excessive heat, formation of oil mist, breathing of vapours and mist of hot oil and prolonged or repeated contact with skin. Launder contaminated clothing prior to reuse. Properly dispose of contaminated leather articles, including shoes that cannot be decontaminated. Use good personal hygiene.

FIRST AID:

EYES - Flush eyes with water for at least 15 minutes while holding eyelids open. Obtain medical attention.

INGESTION - Do not induce vomiting. Obtain medical attention or contact a poison control centre immediately.

SKIN - Wipe excess from skin. Wash contaminated skin with mild soap and water.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

This product contains petroleum distillate. Prolonged or repeated contact may cause various forms of dermatitis including folliculitis and oil acne. Inhalation of oil mist or vapours from hot oil may cause irritation of the upper respiratory tract. Long term intensive exposure to oil mist may cause benign lung fibrosis. High-pressure injection under the skin may have serious consequences and may require urgent treatment.

DECONTAMINATION AND DISPOSAL:

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and cleanup of spills, contact the provincial regulatory agency or the Manufacturer.

STORAGE:

Keep in original containers during storage. Store product in cool, dry, well ventilated place away from seed, feed, fertilizer, or other pesticides. Keep away from fire or open flame, other sources of heat.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.
