-----INSERT-----

HAGEN (R)

HAGEN FLEA COLLAR FOR CATS

DIRECTIONS: Remove collar from package and place around cat's neck. Attach collar so two fingers may be inserted easily between collar and cat's neck. Cut off any excess length of collar and discard in trash. Check and adjust collar periodically to assure a proper fit.

Do not use on kittens under 6 weeks of age.

The fleas on the cat will be killed and new ones which may temporarily appear on the cat, will also be killed during the 4 months (17 weeks) collar is worn. For continuous protection, replace collar when effectiveness diminishes.

PRECAUTION: Do not open inner envelope until ready to use. Do not allow children to play with enclosed collar or envelope. This collar is intended for use as an insecticide generator and is not to be taken internally by man or animal. Not intended for use on humans. Hands should be washed following application. Some animals may be sensitive to this collar. Any collar, when fastened too tightly may cause skin irritation. If irritation persists after proper adjustment, remove the collar and consult a veterinarian. Do not use on sick or convalescing animals.
