This is not a WHMIS Controlled Product.

DIRECTIONS FOR USE: For cleaning, disinfecting, deodorizing and sanitizing of walls, floors, ceilings, urinals, baths, restrooms, swimming pool areas, garbage and disposal containers, fixtures and equipment. Use 30 mL per litre of water. Apply with brush, mop or cloth. For disinfection, allow surface to remain wet for 10 minutes, then remove excess liquid. Prepare a fresh solution for each use. Rinse with clean, clear water.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Undiluted product may cause skin or eye irritation. Rinse empty container with water before discarding. Avoid contamination of food.

FIRST AID: If swallowed, drink milk, raw egg whites, gelatin solution or if these are not available, drink large quantities of water. GET MEDICAL ATTENTION.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
