[BACK PANEL - ENGLISH]

Now you can enjoy a beautiful weed-free garden! With Miracle-Gro® Garden Weed Preventer™, you can stop weeds before they start. The handy applicator makes it easy to dispense product exactly where you want it.

For use with Miracle-Gro® Garden Weed Preventer™.

**Easy-To-Refill**

1. Press firmly through circle and tear it away from overcap. [illus.]
2. Unscrew and remove nozzle. Place inverted overcap onto jug opening. [illus.]
3. Refill jug by pouring product from Miracle-Gro Garden Weed™ refill bag. [illus.]

DIRECTIONS FOR USE AND PRODUCT FACTS	
<b>What it Does:</b>	Miracle-Gro® Garden Weed Preventer™ provides all-season weed control, eliminating difficult and time-consuming hand weeding. Your valuable plants can grow larger, stronger, and healthier without weeds, which deprive them of space, nutrients and water.
<b>When to Apply:</b>	For best results, apply Miracle-Gro® Garden Weed Preventer™ early in the season before weeds emerge. It can also be applied anytime around shrubs, trees, and established plants. If applied later in the season, remove all existing weeds before applying.
<b>Where to Apply:</b>	To prevent many broadleaf and grassy weeds from germinating, use Miracle-Gro® Garden Weed Preventer™ around established flowers, roses, trees, shrubs and groundcovers. <b>DO NOT</b> apply until annuals are established (about two weeks after planting). One application prevents crabgrass, barnyard grass, foxtail, chickweed, knot weed, pigweed, lambs-quarter's and smartweed from sprouting from seed. <b>DO NOT</b> use on vegetables, edible plants or lawns. <b>DO NOT</b> use with flower seeds. <b>DO NOT</b> apply to Ajuga, Myrtle or Pachysandra as injury may result. <b>DO NOT</b> apply in enclosed areas such as greenhouses.
<b>How to Apply:</b>	Since Miracle-Gro® Garden Weed Preventer™ works by preventing weed seed germination, <b>existing weeds must be removed before applying.</b> Be sure to obtain even application or areas not covered can become infested with weeds. Work product into top 2 cm (1 inch) of soil at the rate of 3 kg per 100 sq. metres (6.6 lb per 1110 sq. ft.) or 30 g per sq. metre (.07 lb per 11 sq. ft). Sprinkle lightly with water for best results.

**PRECAUTIONS:**

**KEEP OUT OF REACH OF CHILDREN.** Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application. Do not allow people or pets to enter the treated area until dust has settled. If watering-in is required after application, do not enter or allow others to enter the treated areas (except those involved in the watering) until the watering-in is complete and the surface is dry. Wash thoroughly after using. Avoid contact with skin, food, feed or contamination of fish ponds. Avoid inhalation of dust. For good hygiene practice, wear protective gloves and a dust mask while refilling applicator jug.

Use only in flowers beds and around ornamentals. Do not use on vegetables, edible plants or lawns.

<b>FIRST AID</b>	
<b>If inhaled</b>	Remove to fresh air. If not breathing, give artificial respiration and obtain medical attention IMMEDIATELY.
<b>If on skin</b>	Flush with running water, then continue flushing with running water for 5 - 10 minutes. Start flushing while removing contaminated clothing. If irritation persists, repeat flushing. Obtain medical attention IMMEDIATELY.
<b>If ingested</b>	Induce vomiting by tickling the back of the throat with a finger. If necessary, give syrup of ipecac at dosage of 15 mL (3 tsp.) to children 1-5 years and 15 to 30 mL (3 to 6 tsp.) to older children and adults. Then give at least 300 mL (1 cup) of water to children and 720 mL (3 cups) to adults. Never give anything by mouth to an unconscious person. Obtain medical attention or contact a Poison Control Centre IMMEDIATELY.
<b>If in eyes</b>	IMMEDIATELY flush with plenty of water for 5 -10 minutes and get medical attention.
Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.	
<b>Medical Information 1-888-779-7919</b>	

**TOXICOLOGICAL INFORMATION:**

Treat symptomatically.

**STORAGE**

Store in a cool, well-ventilated area away from children. Prevent contact with eyes, skin and clothing. Do not store near fertilizers, foodstuffs, seed, insecticides or fungicides.

**DISPOSAL:**

Do not re-use empty container. Wrap and dispose of empty container in household garbage.

**NOTICE TO BUYER:**

Seller's guarantee shall be limited to the terms set out on the label and, subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
