Hartz Canada Inc.  
1125 Talbot Street  
St.Thomas, Ontario N5P 3W7

**Ready to Use. Needs No Water, No Bathing, No Dipping.**

Lustre Bath for Dogs brings together in one formula up-to-date scientific knowledge to clean, groom, freshen and protect against infestation of fleas, lice and ticks. Lustre Bath kills fleas and ticks within 24 hours under normal conditions, and protects against re-infestation if used as frequently as needed. Lustre Bath grooms the coat, gives it a lustrous shine and kills doggie odours, leaving your dog bath-fresh.

**DIRECTIONS:** Shake well, add no water. Apply with sponge or cloth first to ears and head to prevent fleas from crawling inside ears and nose in an effort to escape. Keep away from eyes. Apply the rest of body, including feet and individual ticks. Rub in. Wipe off with coarse towel. Swab out ears.

For effective flea and tick control, treatment of the pet should be combined with the sanitation of any area used by the pet. Vacuum floors, carpets, furniture, etc. (discard vacuum bag after use) and wash the pet's bedding, living quarters, and surrounding areas. If problems persists, an insecticidal premise treatment may be required.

**PRECAUTIONS:** KEEP OUT OF REACH OF CHILDREN. Avoid contact with eyes of animal. Do not allow animal to ingest product. Harmful if swallowed. Wash thoroughly with soap and water after handling.

Do not use on puppies less than 8 weeks old. Consult a veterinarian before using on pregnant animals, sick animals or animals under drug or other pesticide treatment. Do not use on nursing animals. Discontinue use if adverse effects are observed. If condition persists, consult your veterinarian.

**FIRST AID:** If swallowed, call a physician or Poison Control Centre immediately. If inhaled, remove affected person to fresh air. If in eyes, flush promptly with clean water for 15 minutes. If on skin, wash with soap and water.

If any irritation persists, get medical attention.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**DISPOSAL:** Do not reuse empty container. Wrap empty container and discard in household garbage.
