U.S.A.

Tel: (816) 891-5548

DIRECTIONS FOR USE: To be used only in the manufacture of an insecticide which is registered under the PEST CONTROL PRODUCTS ACT. Contact Fermenta Animal Health Company for formulation details.

FIRST AID:

If swallowed: Drink one or two glasses of water and induce vomiting by touching back of the throat with finger. Repeat until vomit fluid is clear. Get medical attention immediately.

Do not induce vomiting or give anything by mouth to an unconscious person.

In case of skin contact: Remove contaminated clothing. Wash affected areas with plenty of soap and water.

In case of eye contact: Flush eyes with clean water for at least 15 minutes. Consult a physician if irritation persists.

If inhaled: Remove victim to fresh air. Apply artificial respiration if necessary.

TOXICOLOGICAL INFORMATION: Tetrachlorvinphos is of the organophosphate family and is a cholinesterase inhibitor. Atropine administered intravenously in doses of 1-2 mg at 10 minute intervals is the drug of choice for treating cases of intoxication.

PRECAUTIONS

KEEP OUT OF REACH OF UNAUTHORIZED PERSONNEL.

Avoid contact with eyes, skin and clothing. Wear goggles and chemically-resistant gloves when handling this product. Harmful if swallowed or absorbed through the skin. May cause eye or skin irritation. Avoid breathing dust. Use in well-ventilated area. Wash well after handling and before eating, drinking and smoking. Wash contaminated clothing separately from other laundry with soap and hot water before reuse.

Do not contaminate irrigation water, lakes, streams or ponds by cleaning of equipment or disposal of wastes.

STORAGE: Store in a dry place in original container away from food products.

DECONTAMINATION AND DISPOSAL: Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details and cleanup of spills, contact the provincial regulatory agency or the manufacturer.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the PEST CONTROL PRODUCTS ACT to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms

set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
