((SECONDARY DISPLAY PANEL))

DIRECTIONS: For protection against mosquitoes and black flies, squeeze 8 to 10 drops into the hand and rub uniformly over exposed skin of hands, arms, legs, neck and face. Reapply as required. DO NOT USE ON INFANTS OR TODDLERS.

PRECAUTIONS: Avoid contact with eyes or lips. This material affects lacquer, paint, certain plastic articles and some synthetic fabrics. Avoid smearing on goggles, watch crystals, painted helmets, etc. Do not contaminate food, utensils or any body of water. Dispose of empty container in garbage.

FIRST AID: If swallowed, do not induce vomiting, call a doctor immediately. If lips or eyes are contacted, flush with water. If irritation develops, discontinue use and seek medical attention.
