Mississauga, Ontario L5L 4X4

#### DIRECTIONS FOR USE

Thoroughly soak pet with warm water taking 2-3 minutes to wet hair. Apply Adams Flea and Tick Shampoo to head and ears and lather; then repeat procedure with neck, chest, middle and hindquarters, finishing legs last. Do not treat eyes, face, or scrotum of pet. Let pet stand 3-5 minutes (this is an important part of the grooming procedure), then rinse pet thoroughly. For extremely dirty or scaly pets the above procedure may be repeated. Adams Flea and Tick Shampoo may be used ever 7-10 days as directed by your veterinarian.

#### PRECAUTIONS

**HUMAN:** KEEP OUT OF REACH OF CHILDREN. Avoid contact with eyes. In case of contact, flush with water. Harmful if swallowed. Avoid contact with food and food serving areas. After using wash thoroughly with soap and warm water.

**PETS:** Do not use on puppies or kittens less than eight weeks of age. If pet is pregnant, or under drug or pesticide treatment, contact a veterinarian regarding proper product use.

**ENVIRONMENTAL:** This product is toxic to fish. Do not add directly to water. Do not wash pet where runoff is likely to occur.

**FIRST AID:** In case of eye contact, flush with water for at least 15 minutes. If irritation persists, see a physician. If swallowed, seek medical attention.

#### STORAGE AND DISPOSAL

**STORAGE:** Store in a cool, dry area away from heat or open flame. Do not contaminate water, food or feed by storage or disposal. Do not transfer contents to another container.

**DISPOSAL:** Do not reuse empty container. Rinse thoroughly and wrap container in several layers of newspaper and discard in garbage.
