24 HOUR EMERGENCY RESPONSE NUMBER 1-800-424-9300

DIRECTIONS FOR USE:

To be used only in the manufacture of a herbicide which is registered under the *PEST CONTROL PRODUCTS ACT* or a fertilizer-pesticide registered under the *FERTILIZERS ACT*.

Nufarm CMPP-P/2,4-D AMINE is registered for manufacturing purposes only. Formulations made from this concentrate may have different properties and uses. Therefore, formulators and manufacturers should develop their own use and precautionary labelling based on their own finished formulated products, and in accordance with all pertinent laws and regulations.

RESTRICTIONS AND LIMITATIONS:

Do not apply directly as is to crops.

PRECAUTIONS:

1. KEEP OUT OF REACH OF UNAUTHORIZED PERSONNEL.
2. Avoid contact with eyes, skin and clothing. Harmful if swallowed. May cause eye or skin irritation. Do not inhale vapours. Wash well after handling and before eating, drinking and smoking. Wash contaminated clothing with soap and hot water before reuse. Do not wear contaminated shoes.
3. Do not store near seed, fertilizer, insecticides or fungicides.
4. Do not contaminate irrigation water, lakes, streams or ponds by cleaning of equipment or disposal of wastes.
5. Keep in original container during storage. Store product in cool, dry, well-ventilated place away from seed, fertilizer or other pesticides. Keep away from fire or open flame, or other source of heat.

FIRST AID INSTRUCTIONS:**IF SWALLOWED:**

INDUCE VOMITING. Get medical attention immediately or contact a poison control centre. If patient is unconscious, give air.

IN CASE OF SKIN CONTACT:

Wash with plenty of soap and water.

IN CASE OF EYE CONTACT:

Flush eyes immediately with clean water for at least fifteen minutes and consult physician.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treat symptomatically

DISPOSAL:**Disposal For Returnable Containers:**

Do not reuse this container for any purpose. For disposal, this empty container may be returned to the point of purchase (distributor/dealer).

Canadian formulators of this technical should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations.

For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of spill, and for clean-up of spills.

SPILL CLEANUP:

For spills, wear appropriate safety equipment. Absorb spilled product with inert substance such as sawdust or sand. Wash spill area with detergent solution.

Do not contaminate irrigation water, lakes, streams or ponds by cleaning of equipment or disposal of wastes.

If involved in fire, use water, fog, foam, CO₂, or dry chemical extinguishing media. Noxious fumes may be produced under fire conditions; wear self-contained breathing apparatus. Prevent water used in fire fighting from entering public water supplies.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the *PEST CONTROL PRODUCTS ACT* to use a control product under unsafe conditions.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on the label and, subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product, and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
