DIRECTIONS FOR USE: FOR DARKLING BEETLES AND LESSER MEALWORM  
BEETLE CONTROL. (Adults and Larvae) IN POULTRY GROW OUT HOUSES

For Dirt Floored Grow Out Houses: Apply SafeCide IC dry with a  
fertilizer or seed spreader directly to soil at a rate of 50-100  
grams/square meter when house is empty and after litter has been  
removed. Wear a dust mask or respirator when applying.

For Layer Houses and Cement Floored Grow Out Houses: Mix  
SafeCide IC at the rate of  
40-80 grams/ liter of water. Using appropriate pressure spray  
equipment, saturate side walls, top plates, posts and framing.  
Spray mix into cracks, and crevices around insulation. Apply at  
the rate of 1 liter of mix per square meter of treated surface  
when house is empty. If facility is washed down and sanitized

using standard cleaning and disinfecting procedures SafeCide IC must be reapplied to continue beetle control,

PRECAUTIONS: Harmful if swallowed. Wash hands thoroughly after handling and before eating, drinking, and smoking. May cause eye irritation. Avoid eye contact. Do not apply in a manner that will contaminate chickens or eggs. Do not contaminate any bodies of water. Residues may be harmful to plants. Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store in a dry place. Do not store where children or animals may gain access.

PESTICIDE DISPOSAL: Wastes resulting from the use of the product may be disposed of in accordance with provincial requirements.

CONTAINER DISPOSAL: Completely empty bag into application equipment. Then dispose of empty bag in accordance with provincial requirements. For information on the disposal of unused, unwanted product and on the cleanup of spills, contact the regional office of the Environmental Protection Service, Environment Canada.

FIRST AID: Immediately contact physician or poison control center if swallowed. If on skin, wash with soap and water. If eye contact occurs, flush eyes with plenty of water. Get medical attention if irritation to eyes or skin persists.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
