FOLIAGE PESTS: Spray both leaf surfaces thoroughly. Repeat in 7-10 days. Or top may be dipped in the spray solution. Pad the soil to avoid spillage. Repeat in 7-10 days.

Use a spray solution warmed to room temperature. Shield blossoms against spray or rinse with water. Blot away any wet spots in plant centre. Do not spray under or put wet plants in direct sunlight.

PRECAUTIONS: KEEP OUT OF THE REACH OF CHILDREN. Concentrated soap may irritate eyes. Avoid eye contact.

DISPOSAL: Rinse container with water and dispose of in household garbage. Do not reuse empty container.

FIRST AID: If in eyes, wash with plenty of water.

This product is manufactured from specially selected soaps. No other pesticides are added.

Code: 5053
