DIRECTIONS FOR USE

To be used in the preparation of oil based preservative treatments for use on cordage or similar substrates. Spray or dip cordage with a solution containing 1.0 to 3.0% of Neptune COPPER 8.30% OE.

CAUTIONS

Avoid contact with skin, eyes and clothing. Use gloves, goggles and protective overalls when handling. Harmful if ingested or inhaled. Wear respiratory protection as appropriate for job conditions. Spray and dip equipment must have provisions to prevent the escape of aerosols or droplets to the surrounding environment. Misting is an indication of faulty equipment and should be immediately corrected.

#### FIRST AID

In case of accidental contact. Remove contaminated clothing, wash skin thoroughly with soap and water. Flush eyes with large quantities of water. Obtain medical attention.

#### ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not contaminate water by cleaning equipment or disposal of wastes.

#### STORAGE AND DISPOSAL

Do not reuse empty drums. Ensure that they are discarded in a safe place away from water supplies.

#### NOTICE TO USER

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

#### NOTICE TO BUYER

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
