Authorized user.

**WESTOKLEEN PLUS** is an economical and powerful cleaner-disinfectant which acts quickly in ridding surfaces of dirt and grime, at the same time leaving these surfaces disinfected.

**DIRECTIONS FOR USE:** To clean and disinfect most surfaces, use 7 mL. of WESTOKLEEN PLUS per litre of water. Apply liberally using a mop, cloth or sponge.

For cleaning and disinfecting in and around toilet bowls, urinals, sinks, fixtures, etc., use 10 mL. of WESTOKLEEN PLUS per litre of water.

For cleaning and disinfecting floor surfaces such as wood, linoleum, cement, terrazzo, asphalt tile, rubber, etc., use 7 mL. of WESTOKLEEN PLUS per litre of water.

To clean and disinfect office telephones, industrial eye shields, eyeglasses and other protective garments, use 7 mL. of WESTOKLEEN PLUS per litre of water. Use double strength for porous or difficult-to-clean surfaces. WESTOKLEEN PLUS may also be used for cleaning and disinfecting dishes, glassware, foodhandling equipment and kitchen utensils. Use 7-15 mL. per litre of water, followed by a rinse with potable water. Local health department codes should be followed.

**PRECAUTION:**

Do not take internally. Harmful if swallowed. Avoid contact with eyes or skin.

**TOXICOLOGY:**

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock respiratory depression and convulsions may be needed.

**FIRST AID TREATMENT:**

If splashed into eyes or on to skin, flush thoroughly with water for 15 minutes. If eye irritation persists, get medical

attention.

**DISPOSAL:**

- 1) Rinse the emptied container thoroughly and add the rinsing to treatment site.
- 2) Follow provincial instructions for any required additional cleaning of the container prior to its disposal or reconditioning.
- 3) Dispose of the container in accordance with provincial requirements.
- 4) For information on the disposal of unused, unwanted product and the cleanup of spills, contact the regional office of Environment Canada, Conservation and Protection.
- 5) For small spills, recover free liquid. Soak up residue with solids absorbent. DO NOT FLUSH INTO SURFACE STREAMS. INFORM ENVIRONMENT CANADA AS IN No.4.

**NOTICE TO USER:**

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
