ORGANOCHLORINE PESTICIDE, SOLID, TOXIC (LINDANE)

UN2761

DIRECTIONS FOR USE:

It is a violation of the Pest Control Products Act to use this product in a manner inconsistent with its labeling. To be used only in the manufacture of an insecticide, which is registered under the Pest Control Products Act. Read Technical Bulletin for formulation details.

PRECAUTIONS:

1. KEEP OUT OF REACH OF CHILDREN.
2. May be fatal if swallowed or absorbed through the skin.

3. Do not get in eyes, on skin or on clothing.
4. Wear the following protective clothing: GOGGLES or FACE SHIELD, IMPERMEABLE GLOVES and APRON, or LONG-SLEEVED SHIRT and LONG PANTS or COVERALLS, and RUBBER OVERSHOES with SOCKS.
5. Do not wear contaminated clothing or shoes. Discard contaminated clothing or clean thoroughly before reuse.
6. Avoid breathing vapours. Wear suitable respiratory protection.
7. Wash hands and face thoroughly with soap and water after use of product, and before eating and smoking.
8. Keep away from heat and open flame.
9. This product is toxic to fish and wildlife. Do not apply directly to any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes.

SYMPTOMS OF POISONING:

Headache, fatigue, anorexia, nausea, vomiting, trembling, convulsions, respiratory failure.

FIRST AID:

IF SWALLOWED: Contact a physician or Poison Control Centre immediately. Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Never give anything by mouth to an unconscious person.

IF IN EYES: Immediately flush with large quantities of water for at least 15 minutes, lifting upper and lower lids occasionally. Contact a physician or Poison Control Centre.

IF ON SKIN: Immediately flush with large quantities of water while removing contaminated clothing and shoes. Wash well with soap and water. Wash contaminated clothing before reuse.

IF INHALED: If inhaled remove victim to fresh air. If breathing has ceased clear airway and begin artificial respiration. If victim has difficulty breathing give oxygen. Contact a physician or Poison Control Centre immediately.

Take container, label or product and Pest Control Product registration number with you when seeking medical attention.

STORAGE AND DISPOSAL:

STORAGE: Store product in original container only in a cool dry place, away from other pesticides, fertilizer, food or feed. Keep container closed and do not reuse empty container.

DISPOSAL:

Canadian formulators of this technical should dispose of unwanted product and containers in accordance with municipal or provincial

regulations. For additional information on the cleanup of spills contact the Provincial Regulatory Agency or the Manufacturer.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
