DIRECTIONS FOR USE

To be used only in the manufacture of insecticides which are registered under the Pest Control Products Act. This product is to be used at the rate of 15.00% (wt.) to produce an insecticide product. Read the technical bulletin or product information for formulation details.

PRECAUTIONS: Poisonous if swallowed or absorbed through skin. Do not breathe vapor or mist. Do not get in eyes, on skin or on clothing. In case of skin contact wash with soap and water. Avoid contamination of food and feedstuffs. Wash all contaminated clothing with soap and hot water after handling and before eating or smoking.

This product is toxic to fish and other aquatic animals. Do not contaminate any body of water by cleaning of equipment or disposal of wastes.

FIRST AID: In case of contact, immediately flush skin or eyes with plenty of water. If irritation develops or persists, seek medical attention. If ingested drink one or two glasses of water and induce vomiting and seek a physician.

DISPOSAL & DECONTAMINATION: Rinse the empty container thoroughly and add the rinsings to the formulation tank. Follow provincial instructions for any required additional cleaning of the container prior to reuse or disposal. If required, make the container unsuitable for further use and dispose of in accordance with provincial requirements. For information on the disposal of unused, unwanted product and the clean up of spills, contact the regional office of Conservation and Protection, Environment Canada.

STORAGE: Keep container closed. Mix well in drum before sampling and each use. Store in a cool place. Do not store, pour or spill near heat or open flame.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any
