The GREEN GROSS Dial-A-Spray(TM) hose-end sprayer with various settings. The number of the setting is the number of mL of product being applied per litre of water. PLEASE REFER TO THE DIAL-A-SPRAY LABEL AND PAMPHLET FOR USE INSTRUCTIONS.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Avoid breathing spray mist. Avoid contact with eyes and skin. Wash thoroughly after handling. Change contaminated clothing. Toxic to bees; do not spray open flowers. May cause fruit thinning of apples if applied at petal fall or shortly thereafter.

FIRST AID:

If swallowed, induce vomiting. If in eyes, rinse with water. Gail a doctor. If on skin, remove contaminated clothing and wash skin well with soap and water.

TOXICOLOGY:

Carbaryl is a moderate reversible cholinesterase inhibitor. Atropine is antidotal.

DISPOSAL:

Do not re-use empty container. Dispose of empty container in garbage.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons

or property arising from the use or handling of this product and accepts the product on that condition.
