NOTICE TO BUYER Seller's guarantee shall be limited to the terms set out on the label and, subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

**PRECAUTIONS:**

**ATTENTION ASTHMATICS AND CONTACT LENS WEARERS:** Very strong irritant affecting eyes and respiratory areas. Avoid touching eyes and face until you have washed your hands. **KEEP OUT OF REACH OF CHILDREN.** Use only in well ventilated areas. Contents under pressure. Do not puncture or incinerate. Container may explode if heated. Do not place in hot water or near radiators, stoves or other sources of heat. Do not leave in a hot vehicle. Avoid contact with skin and eyes. For safety and performance, do not store above 50° C or below 0° C. Effective range reduced at temperatures below 0° C. This product is for spraying the face of aggressive bears only and is not to be used against domestic animals or human beings. Do not spray objects/areas for use as a repellent. Use of this product for any purpose other than self-defence against bear attacks is a criminal offence.

**FIRST AID:**

Inhalation: Remove to fresh air. If necessary, seek medical attention.

Eyes: Remove and discard contact lenses, flush eyes with cool water.

Skin: Wash affected areas with a solution of mild soap and water. If irritation persists, seek medical attention or call a Poison Control Center. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.

**CAUTION: IRRITANT** Capsicum is a bronchial constrictant. If you have irritated eyes or difficulty breathing, seek immediate medical attention or call a Poison Control Center.

**PRECAUTION WHEN STORING OR TRANSPORTING:** Carry or store can in a protective holster in sealed container. When travelling, transport in airtight, sturdy, protective case. Caution: Aerosol cans are under pressure and can explode if handled improperly. Do not store in passenger compartment or cockpit.

**AIR TRAVELLERS:** Check air carrier regulations.

**DISPOSAL:** When container is empty, press valve to release all pressure. Dispose of empty container in accordance with provincial requirements. For information on disposal of unused, unwanted product contact the Provincial Regulatory Agency or the manufacturer.
